

Special Olympics NY * Volunteer Application

State Winter Games * Rochester, NY * February 22nd-24th, 2013

Founded and built by volunteers, Special Olympics NY is an example of the impact that volunteers can make in their community by putting their time and expertise to use to socially benefit others. We have 2 categories of Volunteers for our State Games; our Social Volunteer and a Service volunteer.

A Social Volunteer is: A person or group who would like to have an experience that has an open schedule and open opportunity to be our cheering section and hospitality greeters for our athletes. This is a very important role, as many athletes travel far and do not always have the opportunity for their families to attend and cheer them on. So we encourage you to attend the competitions and light the fire within these champions to give them that extra boost of encouragement to go for the gold!

A Service Volunteer is: A person or group who is willing to commit and dedicate their day to the athletes and willing to do the job needed of them. These jobs can include, but are not limited too: set up, athlete escorts, stagers, timers, scorekeeping and etc.
